Gone Fishing

*If someone should ask for me
tell 'em fishing's where I'll be,*

*I've finished all my life's chores
and now I fish on river, lake and beach shores.*

*The view is beaut and the fishing's great
but I still miss you while I wait,*

*I'll save a spot on the canal's bend
for all those I call family and friend.*

*But for now, I'll cast from beach to sea
and make a cast in memory,*

*To all the good times that you had,
with me - your husband, your granddad, your dad.*

*And if the fish no longer bite,
or seem no longer worth the fight*

..... then I'll go goose hunting instead!
