

Shona's family would like to thank you for all the love, support and kindness they have received and warmly invite you to join them for refreshments at Sopheze on the Bay following the service.

If you wish to join Shona's last car run, the cortege, lead by Shona's beloved Chevy's, will be leaving for the internment at the Timaru Crematorium at approximately 3:30pm. After which you can call back to the main farmhouse - 22 Fairview Rd.
