TIME SLIPS BY

*The sun comes up over, Te Mata Peak,
Shinin down on the Tuki Tuki
A young boy playin, dirt on his hands, ambition in his eyes
his love of the land, love of his wife
kids and a dog and those cows keep coming home
hes winnin a few, he'll still tell ya what to do
you just know hes right*

*Time Slips by us Everyday
Time Slips by in so many ways
but every new day is a better day
and there's many many more to come*

*Hes been livin his dream, here in the South,
those mighty Horses, too many to count
great friends, games that never end,
a bunch of medals in a drawer
Every now and then, I meet someone who knew
Remembers the man from his early years
I remember Terry they say, just like yesterday
he annoyed a few, but he had things he had to do*

*It all started in 1935
to celebrate his life we're all here today
brothers and sisters and all friends unite
if we love one another, it will all be alright*
